We promote the acceptance of students with physical limitations or disabilities if these students believe they can fulfill training demands.

SATISFACTORY ACADEMIC PROGRESS (SAP): STANDARDS: This institution expects its students to maintain Satisfactory Academic Progress (SAP) as established by this institution, the student must:

1. Maintain a cumulative academic average of "C" (70%) or better on all tests, work projects (operations) and other required course work.
2. Maintain a cumulative average attendance level of at least two-thirds (2/3) (67%) of the scheduled hours indicated on their enrollment contract. For example, a student scheduled to complete 30 hours per week would have to maintain an average weekly attendance of at least 20 hours per week ($2/3 \times 30 = 20$) regardless of the average level of attendance. Students that are attending the course programs and are receiving Title IV aid to assist in their tuition costs whom have more than 2 weeks (14 calendar days) of consecutive absences will be dismissed. Non Title IV Aid students who have more than three consecutive weeks of absences (21 calendar days) will be dismissed. This standard shall apply to all students except those on an approved Leave-of-Absence (see LOA policy). Title IV Students who expect to be absent 14 or more days up to 180 days are encouraged to request a Leave-of-Absence. Non Title IV aid students who expect to be absent 21 or more days up to 180 days are encouraged to request a Leave of Absence. In addition to attendance standards relating to Satisfactory Academic Progress (SAP), students are also required to adhere to certain other general institutional policies relating to attendance and tardiness. These policies are outlined in the "School Rules" section of this catalog on pages **10-11**.
3. Complete the course within one and one-half (1-1/2) times the length of the course as defined in the enrollment agreement. For example, if the student has contracted to complete the course within 40 weeks, he or she must complete within 60 weeks.
4. Students must meet minimum academic and attendance requirements for at least one evaluation prior to the midpoint (50%) of the course to be considered as meeting satisfactory progress at the end of an evaluation period. A student will be considered to be making satisfactory progress until the next evaluation.

EVALUATION PERIODS: Students compliance with the Satisfactory Academic Progress is divided into evaluation periods and is assessed at each of the following times: **For Cosmetology Students only.**

- * **The point at which 25% of the course is scheduled to be completed;**
- * **The point at which 50% of the course is scheduled to be completed;**
- * **The point at which 75% of the course is scheduled to be completed;**
- * **The point at which 100% of the course is scheduled to be completed;**
- * **The point of actual completion, or at which each additional 400 Clock hours are scheduled to be completed, beyond graduation date.**

Example: For the 1600 clock hour Cosmetology course, a student will be evaluated at the increments in which the students is scheduled to reach 400, 800, 1200, and 1600 clock hours, if applicable; at the point of which the student is scheduled to reach an additional 500 clock hours beyond scheduled completion, or at actual completion.

Evaluation periods for the Esthetician and Manicuring Courses the evaluations will be performed as follows: The point at which 45% of the course is scheduled to be completed; the point at which 90% of the course is scheduled to be completed;

Example: For the 600 clock hour Esthetician course, a student will be evaluated at the increments at which the student is scheduled to reach 270, and 540 clock hours. **Example:** For the 400 clock hour Manicurist course a student will be evaluated at the increments at which the student is schedule to reach 180 and 360 clock hours.

Special Note: The percentage of the course scheduled to be completed is defined according to the terms of the enrollment agreement. Example: A student enrolled at 100 hours per month would be scheduled to complete a 600 hour course in 6 months, a 400 hour course in 4 months and a 1600 hours course in 16 months, allowing no absences. For example a student enrolled in a 40 week, 1600 clock hour program would be evaluated for SAP after the 10th week; the 20th week; the 30th week and the 36th week. These dates would correspond to the point at which the student was scheduled to have completed 400, 800, 1200, and 1440 clock hours. In the event a student reaches his/her scheduled graduation date and has hours remaining to complete, the student will receive additional evaluations; either at the time the student is scheduled to reach each additional 400 clock hours, or at the time of actual completion of the remaining hours, which ever occurs first.

ACADEMIC PROBATION: Students who fail to meet SAP standards during a given evaluation period will be placed on academic/or attendance probation for one additional evaluation period. Students remain eligible to receive aid during the probation period and will be considered as making SAP progress during the probationary period. Probationary students who fail to meet SAP by the conclusion of the probationary period will be deemed not to be making satisfactory academic/and or Attendance Progress, will lose any remaining eligibility for student financial aid and may be terminated at the discretion of the institution. In the event such students are allowed to continue with instruction, aid eligibility will be reinstated only after the student has reestablished SAP in accordance with the attendance and grading standards indicated in STANDARDS 1, 2, 3 & 4 of this policy. In the event a student is terminated due to not making Satisfactory Academic Progress, all policies regarding the institution's refund policy will apply. Probationary students who meet SAP by the conclusion of the probationary period will be removed from academic probation and will retain eligibility for Title IV aid.

APPEAL PROCEDURES: Students who wish to appeal the decision that they are not making Satisfactory Academic Progress must submit a written request to the institution's administrator. The letter should be received within (5) days of termination and must describe any circumstances related to the student's academic standing which the student believes deserve special consideration. The administrator shall evaluate the appeal within a reasonable time frame (5-10) days and notify the student in writing of the administrator's decision. Should the student's appeal be denied, he or she may appear before a school committee to present his or her case. The committee shall provide written notice to the student of its decision within a reasonable time frame.(5-10 days). The decision of the committee shall be final. Students that prevails upon the appeal process, re-entering the program after an interruption of training, or having re-established satisfactory progress, and determined as making satisfactory progress will be re-entered in the course and financial aid funds will be reinstated to the student. Students accepted for re-entering the program who previously were not making satisfactory progress must attain a satisfactory progress status by the next scheduled evaluation, of re-entry before financial aid will be retroactive for eligible students who have displayed satisfactory progress within the evaluation probationary period time frame. **COURSE INCOMPLETENESS:** Course incompleteness, repetitions and non-credit remedial course are not applicable to this institution's form of instruction.

LEAVE OF ABSENCE: Occasionally, students may experience extended personal, medical or other problems which make it difficult to attend class. The institution may allow a student under such circumstances to take a Leave of Absence (LOA) from the program for up to 180 days in a 12 month period. The LOA must be requested in writing by the student and must be approved by the school FA Director. The LOA request form must be filled out and the date of leave and return must be stated on the form prior to the Director approving the LOA. Do not request a Leave of Absence unless you absolutely need one. Students on LOA's will not be assessed any additional charges of tuition. Students returning from an authorized LOA will retain all credit for clock hours and work projects completed and will be returned to the academic progress status they held prior to the start of the leave of absence. In addition, students returning from a LOA will have his/her maximum time frame to complete the course extended by the same number of days as the leave of absence. Students who fail to return from a LOA will be considered dismissed as of the last class day of attendance prior to the start of the leave and the refund calculation will be performed and all refunds due will be issued to the student or appropriate agencies and paid within 30 days.

ATTENDANCE STATUS: Full time: Any student scheduled to attend 24 hours or more per week are considered to be full-time students. Half time enrollment requires a minimum of 16 hours per week. Part-time enrollment is defined as more than 16 but less than 24 hours per week. Less than 16 hours per week is less than half time.

GRADING SYSTEM: Students are evaluated on a regular basis on theory, practical and clinical work. The evaluations are measured on a standard percentile basis and the percentage equated to a letter grade. Evaluation forms are issued to the Cosmetology students at **25%, 50%, 75% and 100%** of the course hours scheduled to complete. All other courses consisting of 600 hours or less students are issued evaluation forms at **45% and 90%** of the course hours scheduled to complete. This evaluation form reflects the overall Attendance and Academic progress of the student. Students must maintain a **"C" (70%)** average to maintain satisfactory academic status. The system detailed below is the system utilized in the school.

ACADEMIC GRADING

100% - 90% **A.....Superior Performance**
89% - 80% **B.....Above Average**
79% - 70% **C.....Average**
69% - 60% **D.....Unsatisfactory**
59% - 00 % **F.....Fail**

POINT GRADES FOR PRACTICAL WORK

(GPA 4) **4 POINTS=A**
(GPA 3) **3 POINTS=B**
(GPA 2) **2 POINTS=C**
(GPA 1) **1 POINTS=D**
(GPA 0) **0 POINTS=F**

STUDENT CLOCK HOUR POLICY: The Program of Barbering and Cosmetology will only recognize time-clock punched hours of attendance, as a result of this requirement this school can only give clock hour credit to students who record their attendance by using the time clock to punch in and out at the start and end of their class day and lunch period. You will be given up to seven (07) minutes to clock in and receive credit for the quarter (1/4) hour. This seven-minute period applies to starting of the class day. A thirty (30) minute lunch break shall be taken when a student attends a six (6) hour class day or more. If you are attending less than a 6 hour class day and desire to take a lunch break (30 minutes), then the half hour must be deducted from your daily total and you must clock in/out on your time card for the lunch break. Once theory classes have been started no one will be allowed to enter the theory classroom.

At the completion of the day, your time card is prepared from the current weekly time card. The daily hours and operations earned are added to the totals in the prior column and final totals transferred to the cumulative column. These cumulative figures are then entered in the prior column on the weekly time card. The time card is to be signed by the student and the instructor daily. **Instructors may not sign a student in or out unless so authorized by the administrative office. The Administrative office will only authorize this action due to an emergency or unforeseen situation.**

Time cards reflect the students' daily record of hours and operations. It is important that all of your hours and operations are recorded properly and accurately. The attendance personnel must be able to read your time card so that the hours and operations are transferred correctly to the roster. The time cards are the property of the school and must remain in the school at all times. Time cards must be retained/stored in their entirety for 5 years by the school.

After clocking in you are required to maintain applied effort, personnel grooming, leaving the building, reading material not related to your training or activity not related to your training is not tolerated. If this occurs you will be asked to stop such activity or to punch out for the remainder of the day. Continued activities of this nature could result in your termination.

TIME CARD CREDIT: The following is a guideline for the instructor to issue credits.

1. Each Theory must be initialed in the proper category. If that category is complete, the instructor may issue credit in a comparative category.
2. The portion of the time card reflecting hours are in the Theory hours earned and any classes the instructor has demonstrated.
3. The portion of the time card concerning operations are to be applied efforts of the students as they manually perform practical subject.
4. Some practical operations may take longer to perform according to the student. Note the following time frame the Program gives for each operation: **Shampoo/set = 1 1/2 hours, Scalp Treatment = 1/2 to 1 hour, Permanent Wave = 2 to 2 1/2 hours, Facial = 1 1/2 to 2 hours, Manicure = 1/2 hour, Hair cut = 1/2 to 1 hour**

Using the above, the Program would understandably not consider a student capable of performing more than three permanent waves per day.

PLACEMENT: Job placement assistance is provided to graduates and students at no additional charge. Upon graduation, student's name is recorded in student registrar and the process of follow-up begins. When students take the licensing examination, it is recorded as a pass or fail. Students are encouraged to return for placement assistance by reviewing the listings of salons seeking employees and the requirements, salary, and other pertinent information. Students are sent on interviews and the results of these interviews are recorded in the student register. The school may show prospective students this register upon request. **Ms. Tanya Aguirre** assists students in placements as often as needed; however, the school does not guarantee placement to any student.

CAREER COUNSELING AND PERSONAL ATTENTION: Students are counseled individually, as often as necessary at least every six weeks to review the student's progress and adjustment. Successful Salon Owners and Stylists are scheduled into the school regularly to give demonstration and discuss career goals, etc. with the students. This activity supplements the daily counseling carried out by the instructors and supervisor. Students may request additional counseling sessions at any time. Students are given personal attention assistance at every stage of training from the first day of enrollment to the day of graduation. At predetermined intervals, measuring instruments are utilized to evaluate the rate and quality of the student and remedial assignments are made when required. Particular attention is given to preparation for the Bureau of Barbering & Cosmetology Examination.

EXTRA INSTRUCTION CHARGES: Students are expected to complete their training within the maximum time allowed as specified in Enrollment Agreement. If a student exceeds the time frame outlined above, an extra instruction charge will be made for the balance of the hours required or the completion of course. During our interview of prospective students, we compute a needs analysis based on the amount of income or resources compared to the cost of education, room and board, and traveling expenses. If the student qualified, we help the individual prepare the appropriate Financial Aid application. For those students who wish to pay their own way through school, the financial officer will develop a personalized payment program for each individual. All tuition and fees are payable in advance unless other arrangements have been made prior to commencement of classes. For those students who are not receiving financial aid, payment schedules (weekly, monthly, and quarterly) are available.

REFUND POLICY BUREAU FOR PRIVATE POSTSECONDARY AND VOCATIONAL EDUCATION (B.P.P.V.E.)

- A. An applicant not accepted for training by the school shall be entitled to a refund of all moneys paid.
- B. If a student (or in case of a student under legal age, his parent or guardian) cancels his/her contract and requests his/her money back in writing by producing a signed dated copy of the Cancellation Notice, within five business days (by midnight) of the first day of classes, all monies collected by the school shall be refunded. The cancellation date will be determined by the postmark on written notification, or the date said information is delivered to the school administrator/owner in person. This policy applies regardless of whether or not the student has actually started training.
- C. If the student cancels his/her enrollment after the fifth assessed business day of classes without the student starting classes, he shall be entitled to a refund of all monies paid to the school less a withdrawal fee of \$75. The cost of the kit and supplies are not refundable due to sanitary reasons.
- D. Even if you withdraw more than five business days after the start of class, you may be entitled to a partial refund. You have a right to withdraw from school at any time and receive a refund for the part of the course not taken. The amount of that refund shall be "pro-rated" according to the incomplete portion of the course, less the cost of an administrative fee of \$75.00. The amount the school would be allowed to retain would be calculated in the following manner:

RIGHT TO WITHHOLD TRANSCRIPTS AND GRADES FOR NON PAYMENT OF TUITION:

An institution may withhold a student’s transcript or grades if the student is in default on a student tuition contract. If the course of study consists of only one course, the institution may withhold the grades or the transcript until the tuition or loan obligation is paid in full. **CEC. Section 94828 per BPPVE Reform Act January 1, 1998.**

Hypothetical Refund Example in accordance to the state pro-rata policy. Assume that a student, upon enrollment in a 1,600-hour course, pays \$5,125.00 for tuition, \$75.00 for registration, and \$300.00, documented cost to school, for equipment as specified in the enrollment agreement and withdraws after completing 600 hours without returning (due to sanitary reasons) the equipment he/she obtained. The pro-rata refund to the student would be \$3,203.00 based on the calculation stated below. If the student returns the equipment (if it was returnable) in good condition within 30 days following his/her withdrawal, the school would refund the charge for the equipment returned and paid by the student.

Hourly cost of Tuition	Hours of Tuition Paid	Hours paid for but not received	Calculation of earned tuition	Refund calculation of tuition	Final refund calculation Total paid \$5,500.00 Less:
<u>\$5,125.00</u>	<u>\$5,125.00</u>	1,600	600	1,000	Adm. Fee 75.00
1,600	\$3,203	(600)	X \$3,203	X 3,203	Equipment 300.00
=	=	=	=	=	Tuition <u>1,922.00</u>
\$3,203	1,600	1,000	\$1,922.00	\$3,203.00	Total refund <u>\$3,203.00</u>

"Contract Price" reflects the amount of tuition, fees and other costs for which the student has contracted to pay EXCEPT the value of equipment, books, and supplies. ## "Amount Paid for Instruction" reflects the total amount paid to the school for tuition, fees and all other charges for which the student has paid EXCEPT the value of equipment, books, and supplies. ***NOTE: This institution calculates refunds according to State, Federal requirements. The calculation that results most favorable to the student is the one selected on the final calculation.

NOTE: "Course" relates to "payment period" of enrollment: Refund policy calculations are performed under the two formulas described below. The calculation resulting most beneficial to the student would be the one used to determine if a refund is due from the amounts paid to the student’s tuition account: The California State Prorated refund calculation requirements applicable to all regular students. The Federal Return to Title IV calculation formula applies if the student received federal aid, he/she is enrolled for the first time and if the student withdraws within 60% (in chronological time) of the first payment period of enrollment for which the student is being charged. (Effective 10/7/00, this Federal refund policy will no longer apply). Please note: Effective 07-01-06 The refund calculation will be based on the scheduled hours a student is contracted for rather than the actual hours attended on the last day of attendance according to the enrollment agreement.

ENROLLMENT TIME is defined as the hours of attendance, that portion of the course scheduled to be completed on the student's last day of physical attendance in the school. Any monies due the applicant or student shall be refunded promptly (30 days) after formal cancellation by the student as defined in item B or formal termination by the school, which shall occur no more than 21 days from the last day of physical attendance, or in the case of a leave of absence, the earlier of the date of expiration of the leave of absence or the date the student notifies the institution that the will not be returning.

- E.** Students who terminate prior to course completion will be charged a \$75.00 administrative fee.
- F.** If the school is permanently closed and no longer offering instruction after a student has enrolled, the student shall be entitled to a full refund of tuition unless you are enrolled in the field of Cosmetology. If you are, then the following policy will be applied: Cosmetology students hours are transferable from one Cosmetology school to another. The Pro-Rata refund policy will be applied if you have earned any clock hours beyond the Cancellation period of 5 business days. An exception to this policy is as follows: A student whom elects not to accept the verification of training hours or does not elect to pursue a program of cosmetology at another institution shall be entitled to a full refund of tuition.
- G.** If a course is canceled subsequent to enrollment, the school shall at its option:
 - 1. Provide a full refund of all monies paid; or

2. Provide completion of the course.

If you receive a student loan(s) to cover the cost of the program, any refund you receive will be returned to your lender to reduce your loan debt. If the amount of your refund exceeds the unpaid balance of the student loan(s) you received the excess will first be applied to any other aid programs from which you receiving funding, any remaining balance will then be returned to you.

RECOVERIES: Recoveries resulting on funds paid to students for personal expenses which exceed the amount needed (based on the months attended times the monthly budget allowance) will be due from the student to the Title IV Programs. Students will be required to pay for recoveries to the program in the following order, First to FFELP (student loan programs), Second to Pell Grants and Third to SEOG Grants.

REFUNDS: In any case where a refund is due to the Title IV Programs, the application of the refund will be made as follows: First to FFELP (student loan programs), Second to Pell grant and Third to SEOG grants. This order will be applied providing the student received funds from that program and in amounts not to exceed the amounts originally paid from each program. Refund due to the lender or the aid programs or student's account will be made within 30 days. When a student requests a transfer to another school, the institution will prepare all of the academic and financial documentation requested by the student.

COMPLIANCE STATEMENT: The Federal Privacy Act of 1974 requires that students be notified that the disclosure of his/her social security number is mandatory. The social security number is used to verify students' identities, to process the awarding of funds, the collection of funds, and the tracing of individuals who have borrowed funds from federal, state or private programs.

FINANCIAL AID MECHANISM

Financial aid is a mechanism that reduces out-of-pocket costs that students and/or parents must pay to obtain a specific postsecondary education. Presented differently, financial aid is money made available to help students meet the cost of college attendance. Financial aid includes grants and loans. Grants do not have to be repaid. Loans usually have low interest rates and must be repaid in accordance to the individual loan program terms. Most of the loans can be arranged to require payment after a grace period of several months upon graduation, or upon the student's termination from the program or if a student's attendance falls below half time. Financial aid is awarded to students who have "need". Need is the difference between the amount of money that the family will be expected to contribute to meet student costs and the cost of education at this school.

STUDENT ELIGIBILITY REQUIREMENTS

To be eligible for financial aid, a student must:

- be admitted as a regular student;
- be enrolled or accepted for enrollment in an eligible program on at least a half time basis;
- be a citizen or an eligible non-citizen;
- not owe a refund on a FPELL Grant or FSEOG at any school;
- not be in default on a Perkins Loan or Stafford Loan/SLS/PLUS/Direct Loan at any school;
- have financial need;
- be making satisfactory progress (as defined by the school's policy) in the course of study;

- be registered for selective service (if a male born on or after January 1, 1960);
- have signed a statement of educational purpose;
- have signed a statement of updated information;
- have a high school diploma, (or its equivalent) a GED, or have demonstrated the ability-to-benefit;
- agree to use any federal student aid received solely for educational purposes.

THE U.S. DEPARTMENT OF EDUCATION STUDENT FINANCIAL AID PROGRAMS:

The college is approved for, and does participate in the following programs intended to defray the costs of attending for those students eligible for financial aid considerations:

Federal PELL Grant: Does not require repayment (FPELL)

Federal Supplemental Education Opportunity Grant: Does not require repayment (FSEOG)

APPLICATION PROCEDURES AND FORMS: Financial aid applications for this institution consists of the following: Free Application for Federal Student Aid (FAFSA) This form needs to be completed as instructed on the form. Documentation to substantiate the data entered on the form may be required by the financial aid office. Forms and assistance in completing them are available at this school during school hours. In addition to the FAFSA, the institution requires a series of forms as they apply to the individual student aid program and to the student's individual family circumstances.

Federal William D. Ford Direct Loan Program. Funds received from either of the loan programs are subjected to repayment from the student. Before a loan document is submitted to the USDE, students must be fully aware of the financial responsibilities under this loan programs, the rights that the student has under the individual loan program conditions, and the consequences of a failure to meet the repayment obligations. Federal Direct Subsidized Loan, Federal Direct Subsidized Loans are made directly to students from the U.S. Department of Education. Subsidized loans are need based. Students may borrow up to the amount of the student's cost of attendance less other expected financial assistance (not to exceed annual loan limits).

The Federal Government pay interest subsidies while the student is enrolled or during periods of deferment. Student would pay a combined origination/guaranty fee of 3% rebated directly to the U.S. Department of Education. Students may receive both subsidized and Unsubsidized loans provided the combine amount borrowed does not exceed applicable loan limits and that the student's eligibility for a subsidized Federal Stafford Loan be determined prior to determining eligibility for the Unsubsidized loan. The law also stipulates that borrowers may apply for both subsidized and unsubsidized loans using a single application and that such borrowers must be given a single repayment schedule.

Federal Direct Stafford Unsubsidized Loan

These loans expand the ability of the U.S. Department of Education to make "Unsubsidized" Federal Stafford Loans to students. These loans carry many of the same terms and conditions associated with subsidized Federal Stafford Loans with the following two exceptions:

- (1) Unsubsidized loans are not need based. Students may borrow up to the amount of the student's cost of attendance less other expected financial assistance (not to exceed annual loan limits).
- (2) The Federal Government does not pay interest subsidies to the lender while the student is enrolled or during periods of deferment. Interest must be paid or capitalized, i.e., added to the principal.

DEADLINES: Applications need to be submitted at least 30 days before the end of the loan period for which the loan has been requested. The student is responsible in locating his or her own lender that participates in the FFEL Loan Program.

LOAN COUNSELING: Entrance and Exit Interviews before a first disbursement may be made to a first time FFELP or Direct Loan (Subsidized/Unsubsidized) borrower; the student **Must** receive entrance counseling that explains the loan obligation. The counseling **Must** be conducted in person, by audiovisual presentation, or interactive electronic means. Students will be allowed to do online Entrance and Exit interviews from home or school's designated computer. School computer is not for personal uses, no downloading or e-mail will permitted. Palace Beauty strongly suggests that On-line Direct loan entrance and exit interview/quiz, at: <https://www.dl.ed.gov>.

DISBURSEMENT: Checks are issue to the school and credited to the student's tuition account. It is the student's responsibility to submit all required forms and documentation to the financial aid office before disbursement. **For additional information, read the pamphlet "Direct loan Entrance Interview"**

SAR or ISIR must be submitted to the financial aid office by September 17, of the award year from which aid is requested from, or your last day of enrollment in 2009-10, whichever comes first. A valid ISIR requires signatures of student, spouse and/or parents, when the ISIR has been corrected.

DISBURSEMENT: Made based on per payment period via a check payable to the student or via a direct credit to the student’s tuition account. Priority for FSEOG funds will be given to students eligible for Pell Grant. This institution has a year-round enrollment. Therefore, funds will be awarded in a manner that funds would be available to students enrolling through out the entire year. If SEOG funds still available, a second priority will be given to Non Pell recipient students with the lowest Expected Family contributions enrolled during the last three months. For additional information on Federal Financial Aid programs, request “The Student Guide” published by USDOE

TREATMENT OF TITLE IV FUNDS IF THE STUDENT WITHDRAWS FROM THE COURSE OF STUDY:

As of 10/07/00, Federal Regulations dictate specific formulas to determine the amount of Title IV Aid earned by a student withdrawing from the course of study. Simply stated, if the student withdraws before the sixty percent of the payment period in the course, student would have earned only 50% of the aid received or eligible to have received. To determine the percentage completed, the scheduled hours of class hours will be divided by the total hours in the payment period. Please note: Effective 07-01-06 The refund calculation will be based on the scheduled hours a student is contracted for rather than the actual hours attended on the last day of attendance according to the enrollment agreement. Unearned aid will be returned to the program(s) in accordance to the guidance described in the regulations. Withdrawing students will be responsible for institutional charges not covered by student aid. Delinquent school accounts will be assigned to a collection agency. Collection agency expenses will be added to the balance owed to the school.

AWARD CONCEPT, SELECTION OF RECIPIENTS AND PACKAGING CRITERIA

This institution does not receive enough Campus-Base funds to satisfy all the student financial needs. Therefore, the school emphasizes the **SELF-HELP CONCEPT** of student financial assistance.

The **SELF-HELP CONCEPT** is on a first-come, first-served basis when awarding eligible applicants. If the student does not wish to assume the combined debt of two or more loans, they may decline any loans offered by the school. **ALL LOANS MUST BE REPAID.**

The **SELF-HELP CONCEPT** lists types of financial assistance in the following order:

1. Family contributions
2. Other resources
3. Federal PELL Grant
4. Self Help (Stafford and/or, PLUS Loans)

The school awards from the Federal Supplemental Educational Opportunity Grants in accordance with the following policy: The institutional participation in the Federal Educational Opportunity Grant is limited to the amount of funds given to the institution for an entire award year. (July 1 to June 30).

Due to the **limited** amount of funds available to the institution, it is literally impossible to award FSEOG to all students applying for aid. Therefore, the institutional policy to select FSEOG recipients is as follows:

This institution has a continuing enrollment process in which students may start each Monday of each Month or Tuesday when Monday is an observed Holiday. In order to ensure a fair distribution of funds through the entire award year, the institution will make SEOG awards using data from the year proceeding the current year, by using student enrollment, EFC and Pell Grant data to determine how to distribute the SEOG funds available. Based on last year's data, the institution expects an enrollment of 50 new students meeting the "exceptional need" criteria to be enrolled during the 7/1/08 to 6/30/09 period.

Therefore, the awards to those students will be up to \$300 through the entire period. As of July 1, 2008, the first selection of SEOG recipients will be made from students with "exceptional need".

Students with "exceptional need students" are defined by this institution as students that have an expected family contribution (EFC) that will otherwise be eligible for the FPELL Grant Program during the same award year. If enrollment figures change, and/or additional funds become available to the institution, a second selection will be made from those students ineligible for the FPELL Grant Program with the lowest expected family contribution that enrolled during the last quarter of the award year (March to June).

Both selections will be made from students, whose file has been completed, with no issues pending regarding the students' eligibility for Federal Aid. Incomplete files will not be considered in the selection criteria due to possible lack of documentation. Awards will be made as long as funds are available throughout the award year.

DEFINITIONS: The following definitions correspond to some common terms used within the financial aid terminology:

ACADEMIC YEAR: A period of not less than 26 weeks of instructional time with a minimum of 900 clock hours of instruction for a full time student. The midpoint of the academic year shall be a minimum of 13 weeks and at least 450 clock hours. In effect, all students enrolled in courses with an academic year schedule to be completed in less than 26 weeks, regardless of the number of clock hours offered, would have aid eligibility reduced in proportion to the number of weeks and hours in the course of study in relation to the academic year.

CLOCK HOUR: A 50 to 60 minutes of supervised instruction during a 60 minutes period.

CREDIT BALANCE: A credit balance occurs when tuition payments have been received by the institution in excess of the amount of charges assessed to the student. Credit balances are paid within 14 business days from the day the credit balance was generated. Students must be responsible for budgeting their own funds and for securing that the funds are used for education related expenses.

DEPENDENT STUDENT: He/She is an individual that does not meet the independent student criteria. This student is required to submit with his/her application, student and parents' income and assets data.

DEPENDENT: He/She is an individual other than the spouse that has been supported and will continue to be supported (50% or more of that individual personal expenses) by the student and/or spouse. If that individual is and will continue to be supported by the student parent(s), that individual would be a dependent of the parent(s) **NOT** a dependent of the student.

FAMILY CONTRIBUTION (EFC): The calculated amount that a family contributes to offset the student cost of attendance.

FINANCIAL AID ELIGIBILITY CITIZEN/ELIGIBLE NON-CITIZEN: You must be one of the following to receive federal student aid: U.S. Citizen, U.S. National, U.S. permanent resident who has an I-151 or I-551 (Alien

Registration receipt card). Departure Record (I-94) from the U.S. Immigration and Naturalization Service (INS) showing one of the following designations: Refugee, Asylum Granted, Indefinite Parole and/or Humanitarian Parole Cuban-Haitian entrant

1. Was born before January 1, 1985
2. A graduate or professional student

4. An individual with legal dependents other than a spouse. (As defined above)
5. An orphan or ward of the court up to the age of 18
6. Is a veteran of the armed forces of the United States

PARENT(S): For the purposes of the financial aid programs, “a parent” is the mother and/or father or adoptive parents, stepparent or legal guardian - not foster parents.

PAYMENT PERIOD: 450 hours and 13 weeks for courses of 900 hours or more. It is the mid-point of the program for courses of less than 900 hours and 26 weeks.

NEED: Financial need is the amount left over after subtracting the expected family contribution from your cost of attendance.

WITHDRAWALS: Students are officially withdrawn on date of notification, date terminated by the institution, date of three consecutive weeks of absences or date when the student failed to return from an approved leave of absence.

RECOVERIES: Recoveries resulting from unearned Title IV funds due from the student must be paid in accordance to the terms stated in the promissory note of the student loans. If funds from the grant programs still due from the student, those funds are payable at the rate of 50%. Grant funds due from the student must be repaid within 45 days from the student’s withdrawal date. Students may make repayment arrangements with the U.S. Department of Education within 45 days from the student’s withdrawal and present proof of such arrangements to the institution. If no repayment is received nor arrangements are presented, the institution will refer the debt to the U.S. Department of Education. The student will no longer be eligible for aid until informed by U.S. Department of Education.

REFUNDS: In any case where a refund is due to the Title IV Programs, the payment of the refund will be made within 30 days from the official withdrawal date in the following order: FDirect, FPELL FSEOG, other sources and to the student. This order will be applied providing the student received funds from that program and in amounts not to exceed the amounts originally paid from each program.
